### CABERNET SAUVIGNON & BLENDS

**CHATEAU DE PARENCHERE CUVÉE RAPHAEL GAZANIOL** 🍷 Old vines Bordeaux Superieur Monsieur Gazaniol, who owns this beautiful estate in the Entre deuxmers area, saves the best Old Vine grapes for his personal Cuvee. Cabernet Sauvignon and Merlot are the main ingredients here. The wine shows nice blackberry fruit and tobacco, combined with medium tannins, making this one ready to drink now. Medium bodied with a clean finish.

**CHATEAU D'ARMAILHAC, PAUILLAC GRAND CRU CLASSE** 🍷 This impressive Pauillac is performing even better from bottle than it did from barrel. *Made by the staff at Mouton Rothschild*, it is a blend of 64% Cabernet Sauvignon, and the rest Merlot and Cabernet Franc. A dense ruby/purple color is followed by a bouquet of grilled meats, subtle herbs, coffee, black currants, and a hint of camphor. The sweetness of the tannins, full-bodied mouthfeel, and stunning length, all in gorgeous symmetry, suggest this is one of the finest d'Armailhacs yet made. Moreover, it is still reasonably priced by the standards of this region. **91 POINTS R. PARKER**

**RESERVE DE LA COMTESSE, PAUILLAC** 🍷 (*second wine of Chateau Pichon Lalande*) A blend of 46% Cabernet Sauvignon, 44% Merlot, and the rest Cabernet Franc, this is a hedonistic sexpot of a Pauillac with loads of density, plenty of ripe fruit, and low acidity in an easy-to-drink, seductive style with plenty of chocolate-infused black currant fruit. Drink it over the next decade.

**CHATEAU HAUT MARBUZET, SAINT ESTEPHE** 🍷 Haut-Marbuzet's exotic style seems to work nicely in this vintage. Deep ruby/plum-colored with hints of licorice, figs, and black currants, this wine has an opulent, voluptuously textured palate, low acidity, and plush, creamy textured flavors that cascade over the palate. The oak seems relatively restrained by Haut-Marbuzet's standards. Drink it over the next decade. **89-91 POINTS R. PARKER**

**CHATEAU BEAU SITE SAINT ESTEPHE** 🍷 This is a lively wine, with cherry, currant and black berry flavors. Medium to full bodied, with fine tannins and a crisp finish. Chateau Beau Site has proven itself over the years to be a consistent value within its much more expensive neighbors.

**CHATEAU HORTEVIE, SAINT JULIEN** 🍷 Located in the center of St. Julien, between Chateaux Gruaud Larose and Ducru Beaucaillou with soil of heavy gravel on a sand and big stone subsoil. This small estate produces only 1,500 cases a year with 55% Cabernet Sauvignon, 15% Cabernet Franc, 25% Merlot and 5% Petit Verdot. All clusters are hand picked and the wine is aged for one year in oak with one third new barrels. Average age of the vines is 40 years.

**CHATEAU BRANAIRE - DUCRU, ST. JULIEN** 🍷 Possessing the finest aromatics of all the 2004 St.-Juliens, Branaire Ducru offers complex licorice, cranberry, boysenberry, and floral notes interwoven with notions of plums and figs. This dark ruby/purple-tinged, medium-bodied, elegant effort offers sweet fruit as well as ripe tannins. Give it 1-3 years of bottle age. **90 POINTS R. PARKER**

**CHATEAU LA CHAPELLE LA MISSION, PESSAC LEOGNAN** 🍷 La Chapelle de la Mission exhibits elegant plum, black cherry, and mulberry fruit characteristics intermixed with earth, herbs, and spice. This dark ruby/purple-tinged, supple second wine is made in the style of its bigger sibling.

**CHATEAU FONTENIL FRONSAC** 🍷 Although more maculine than one expects from the home estate of Dany and Michel Rolland, the 2004 Fontenil is a concentrated effort displaying striking minerality along with notes of black currant and blackberry fruit, chunky tannin, medium body, and excellent concentration as well as purity. Give it 2-3 years of cellaring and drink it over the following 15 years.
